

Austin J. Weber Memorial Scholarship

Austin was born June 20, 1994 to Carl J. and Mary Lou Weber. He was the youngest of 4 children. Austin was the brother of Kelsey, Holly, and Alex Weber.

Austin attended St. Gerard Catholic School until the 8th grade when we moved to Ada. He was involved with Football, Basketball, and Track among many numerous activities at the school. Austin had a lot of fun and was noted for being a great "Super Fan." During his summers, he worked at the Ada Pool and later was part of the maintenance crew at Ada School. He also worked at ONU in the cafeteria and at White Bear.

After graduating from Ada High School in 2012, Austin attended the University of Akron majoring in business. He loved college and submerged himself in the college life and all the activities they had on campus. He worked on campus at a convenient store called "Zee's" where he met many new friends and enjoyed his new life at college. On his way to work one day, he was involved in a long boarding accident with severe head trauma. He died September 21, 2013 at the age of 19.

Austin was a kind loving person who didn't know a stranger. His spirit and love for life were contagious. He could light up a room with his smile and personality. His roommate in college put it best.....Austin's presence would fill a room.

In memory of Austin J. Weber, we honor him and keep his memory alive through this scholarship. He lived every day to the fullest.
