Signature: _____

About Student Cards:

Student status means that these card holders may have up to five (5) items checked out at a time. No audiovisual materials (DVDs, CDs, Videogames...) may be checked out on a **Student** card. They shall be exempt from fines. A long overdue or lost item shall result in the card holder being blocked until such item shall be returned. A **Student** card may be changed to a normal card, by applying for the change at the Library with a parent or guardian.
